Confirmation of fulfilment of EC directives

Confirmation sheet

Confirmation of fulfilment of EC directives

EC

Directive 2002/95/EC

We hereby confirm that, in the production of Technoform Bautec products from PA66 GF25 dry impact-modified reinforced and PA66 GF40 dry impact-modified reinforced, none of the heavy metals listed in Directive 2002/95/EC (“restriction of the use of certain hazardous substances in electrical and electronic equipment”) such as lead, cadmium, chrome VI and mercury, as well as polybrominated biphenyls (PBB) or poly-brominated diphenyl ether (PBDE).

EEC

Directive 76/769/EEC

We confirm, furthermore, that the above-mentioned products satisfy the requirements of Directive 76/769/EEC relating to restrictions on the marketing and use of certain dangerous substances and preparations.

Ongoing amendments to this Directive, e.g. 2003/11/EC, are systematically analysed in our company and their implementation ensured.
